Education and Sports

Winter Universiades combine high-level competitive sport with educational aspects and cultural events. University and college students between the ages of 17 and 25 are eligible to enter.

3800 volunteers on duty

The Winter Universiade helpers will represent Switzerland as hosts and make sure that the guests from all over the world feel at home. The 3800 volunteers will make an important contribution to the success of the Winter Universiade 2021.

The volunteers' areas of responsibility are very diverse. They can be deployed before, during and after the event, both in the Host City of Lucerne and at the various competition venues.
