1. CREATION OF THE ACCOUNT

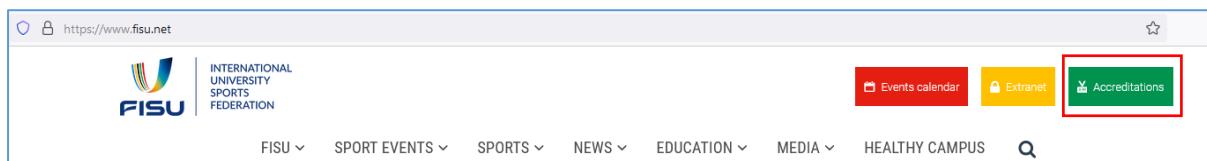

1.1. INTRODUCTION

Registration to the FISU Winter Universiade 2021 is easy and requests two steps:

1. Account creation on the FISU Online Accreditation System (OAS)
2. Online registration

OAS is available:

- On top of <https://www.fisu.net/>

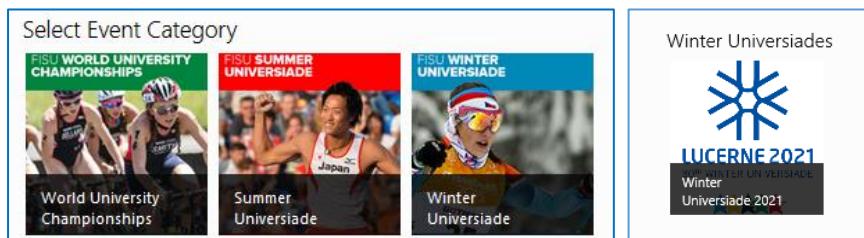

- Or directly here: <https://accreditation.fisu.net/sites/universiades/WU2021/Pages/Home.aspx>

1.2. OAS REQUIREMENTS

Any modern browser supports OAS (Chrome, Firefox, Edge, Opera). IE11 is also supported. Please note that some very specific option may require the use of Firefox or Microsoft browser only: if so, we will specify it.

1.3. ACCOUNT CREATION

The first step is to create your account on OAS. To do so, go on OAS and select "Winter Universiade" and "Lucerne 2021". Please note that if you have clicked on the direct link, you can pass this step.

Then click on "Create your own account online" next to "Are you Media?"

The screenshot shows the 'Winter Universiade 2021' login page. At the top, there is a navigation bar with links for 'Accreditation Portal Home', 'Universiades Portal', and 'Winter Universiade 2021'. Below the navigation bar, the text 'Winter Universiade 2021' is displayed with a blue sunburst icon. The main form area has a heading 'Register to this event'. It includes a 'LOGIN' button and a 'SIGN IN USING YOUR ACCOUNT INFO' link. Below the login area are fields for 'Username' and 'Password', and a link 'I have forgotten my password'. At the bottom of the form, there is a red box around the text 'Are you Media? Create your own account online'. There is also a link 'Are you a Technical Official? Create your own account online' and a 'SIGN IN >' button.

You just need to fill the following form and click on "Create User". Please note that the "User Name" is your **login** name. Think to remember this name.
