

Attaché

The attaché function is a special task for volunteers.

Attachés are the link between the delegations / ice hockey teams / FISU family members and the organising committee. They support these groups or individuals during their stay and perform administrative and linguistic tasks, among other things.

Attachés are 18 years of age or older, have good language skills in German and English (at least level C1). Other language skills are an advantage. Furthermore, attachés should have a good knowledge of the host city Lucerne and/or the other venues and be friendly, responsible and solution oriented. Attachés are ideally studying, flexible in terms of location and time of assignment, reliable and keep calm in stressful situations.

Assignment time:

Attaché for FISU members: at least 6 days

Attaché for delegations: at least 6 days
